The right length, the right content, the right textbook for your needs!

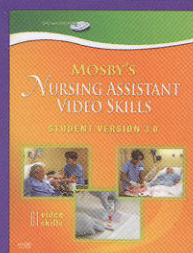

MOSBY'S Essentials for NURSING ASSISTANTS

presents everything you need to be successful as a nursing assistant in a clear, logical, and highly visual format.

This 4th Edition helps you succeed with:

- *Delegation Guidelines* outlining your specific responsibilities when accepting tasks assigned to you.
- **NNAAP™ skills** highlighted throughout the text to tell you when skills are part of the National Nurse Aide Assessment Program™.
- **OBRA requirements for certification** covered in a clear, concise way.
- **Companion CD** with 25 different procedures with videos, animations, practice exercises, audio glossaries, and an anatomy and physiology review program.
- **Focus on PRIDE boxes** stressing Personal and professional responsibility, Rights and respect, Independence and social interaction, Delegation and teamwork, and Ethics and laws.
- **Focus on Communication boxes**, providing practical tips and guidelines for talking with patients, residents, and nursing team members.
- **Chapters covering preventing falls; safely handling, moving and transferring the person; and mental health problems** focusing on important areas of your work as a nursing assistant.
- **Over 500 full-color photos and drawings** making concepts easy to understand.
- **Step-by-step procedure instructions** guiding you through procedures you'll perform in your work.
- **Promoting Safety and Comfort boxes** offering tips on enhancing the person's comfort and alerting you to safety precautions.

With all of these features and more, you'll have all the information you need to be a successful nursing assistant! A comprehensive chapter-by-chapter companion workbook includes a wide variety of exercises to enhance learning, including a Competency Evaluation Review. Checklists for the textbook procedures allow you to self-evaluate, and Additional Learning Activities provide exercises that go beyond the textbook.

Get even more practice with your procedures and patient care!

Mosby's Nursing Assistant Video Skills, Version 3.0

Understand and master over 60 key nursing assistant procedures with these videos that show you how to perform specific skills in a step-by-step format.
