Workbook for

BEING A Nursing Assistant

**9TH
EDITION**

This Workbook has been written to motivate, to interest, to instruct, to self-evaluate, and to involve you, the student, actively in the learning process. Designed to accompany *Being a Nursing Assistant*, Ninth Edition, this study aide will guide you through the textbook and help you master critical concepts and enhance learning. Included is a variety of exercises from word searches to multiple choice questions to help meet your individual learning needs and to provide an effective learning experience.

FEATURES INCLUDE:

- Objectives
- Word Searches
- Multiple-Choice Questions
- Matching
- Fill-in-the-Blanks
- And More!

ADDITIONAL TOOLS TO COMPLEMENT LEARNING INCLUDE:

- **Student CD-ROM** – A *free* cross-platform CD-ROM, packaged in *Being a Nursing Assistant* textbook, contains learning objectives, audio glossary, and multiple choice questions for certification review and more!
- **Companion Website** www.prenhall.com/wolgin – This *free* on-line Study Guide is designed to help students apply concepts presented in the book. Each chapter specific module features objectives, certification review multiple choice questions, case studies, matching exercises, web links, audio glossary, and more!
