# WORKBOOK for THE NURSING ASSISTANT

*Acute, Sub-Acute and Long-Term Care*

FOURTH EDITION

JoLynn Pulliam

**Concise, practical, and affordable, *The Nursing Assistant: Acute, Subacute, and Long-Term Care*, Fourth Edition, contains the essential information nursing assistants need to know in a format that's easily readable. This accompanying Workbook is the perfect complementary tool to facilitate learning. The following four distinct sections provide complete practice and review:**

- **Preparing for the Competence Evaluation.** Providing guidelines for written and skills test preparation, this section details the most effective test-preparation and test-taking strategies.
- **Skills Checklist.** A complete list of all the procedures described in the main text, the Skills Checklist allows for easy tracking of successfully demonstrated skills.
- **Learning Activities.** 24 chapters of Learning Activities facilitate comprehension. Case studies provide real-life examples of every day situations. MediaLink boxes refer students to activities on the free student CD-ROM and Companion Website.
- **Chapter Quizzes.** 24 Chapter Quizzes test knowledge of key concepts. Multiple-choice exam-style questions provide essential review.

#### ADDITIONAL TOOLS TO ENHANCE LEARNING INCLUDE:

- **Student CD-ROM** – A **free** cross-platform CD-ROM packaged in *The Nursing Assistant*, Fourth Edition textbook provides an interactive study program that allows students to practice answering Certification Exam-style questions with feedback for incorrect answers. It also contains Objectives, Chapter Outlines, an Audio Glossary, Videos, Animations and a link to the Companion Website (an Internet connection is required).
- **Companion Website [www.prenhall.com/pulliam](http://www.prenhall.com/pulliam)** – This **free** on-line Study Guide is designed to help students apply concepts presented in the book. Chapter-specific modules include Objectives, Chapter Outlines, an Audio Glossary, Certification Exam-style review questions, Case Studies, Challenge Your Knowledge activities, Matching exercises, Study Tips, a Toolbox, Medialinks and more.
