ANATP/BNATP Monthly Update June 2025

1. Please read the instructions on the master schedule for file name formatting and where to send it. I continue to receive master schedules, and this process was changed months ago.
2. Please do not call or email with questions about the Medication Aide program. When it has been approved and all administrative rules are in place, it will be announced via a monthly update. It could be as long as one year before it is finalized.
3. The annual CNA Educator Conference will be held March 19-20, 2026, at the Northfield Inn in Springfield.
4. I will no longer be generating instructor code letters. You will receive an email with the instructor code.

As always, do not hesitate to call or email with questions.
