ANATP/BNATP Monthly Update December 2025

1. LPNs cannot teach in a BNATP at any time. There are no exceptions and no waivers.
2. I am able to generate instructor approval letters again. I CANNOT create instructor approval letters for those instructor codes already received only via email. Replacement approval letters are not available.
3. Students with a hearing impairment that prevents them from obtaining a manual BP may be tested on obtaining a BP with an electronic device. You do not need a provider's documentation and nothing needs to be sent to DPH.

As always, do not hesitate to call or email with questions.
