## **ANATP/BNATP Monthly Update January 2026**

1. There will be a new process for application to the Health Care Worker Registry coming soon. We have been working on streamlining this (email, documentation, and phone call reductions) for about a year. If you are interested in beta-testing with us, please email me. The beta test will begin at the end of this month, while full roll out will be the end of February or March.
2. The next Advisory Board meeting to review the administrative rules for the Medication Aide Program is this month. I hope to have some good news in the February update.

As always, do not hesitate to call or email with questions.
